

**Iowa Junior Academy of Science
National Youth Science Camp
APPLICATION**

Each summer, several science opportunities exist for highly motivated and talented youth. These include the Governor's National Youth Science Camp, and research appointments at United States Department of Energy or National Institute of Health Laboratories (as funding permits), etc. All opportunities focus on academic/research growth in the sciences. Programs last 2-4 weeks and **all expenses are covered**.

The individual nominated should possess the following qualifications:

1. A member of the spring high school graduating class.
2. Superior academic proficiency including recognition in areas of mathematics and science.
3. Abundant leadership capacity.
4. Social maturity demonstrated by involvement in both school and community activities.
5. Acquired skills and achievements outside the realm of the usual high school academic achievement.
